

# CLAYTON JUNIORS SUMMER SERIES 2011

.... new for this season...

There will be eight races available in the calendar, running from 2<sup>nd</sup> April until the end of September.

**Medals will be awarded to all completing at least four races**, but you can do as many as you want.

Your position at the end of the series is calculated from your best four results, don't worry if you have a bad day or your parents insist on dragging you away on holiday!

Prizes will be awarded at the end of the series for age category winners, boys and girls. A Presentation event will be held at the last race (Thieveley Pike), after the senior race has finished.

**First race is Saturday 2<sup>nd</sup> April; Pendle Fell Race at Barley.** This is also a counter in the English Junior Fell Championship and the Lancashire Junior Championship, so there should be a good turnout.
